

Carrara | Glazed Porcelain

AVAILABLE SIZES

DESCRIPTION

Carrara, a Spanish porcelain tile, is an elegant recreation of the classic marble that offers a clean white background and soft grey veining. Choose from either a 12x24 matte or polished porcelain tile for both floor and wall tile installations. Matte finish is rated for all residential and light commercial applications, while polished finish is rated for all residential projects. The 9x24 glossy ceramic wall tile offers a traditional flat surface while the 4x8 brick pattern is beveled. 2x2 porcelain mosaics complement the floor along with 3x24 porcelain bullnose in both finishes.

NOTES

It is not recommended to stagger any tile longer than 18" more than 1/3 the length of the tile.

Always inspect materials prior to installation.

Always mix 2-3 cartons at a time while installing to insure the best blend.

All product images are representative only. Variation in color and shading is to be expected. Final selection should be made from actual tile samples.
